

SPEAKING IN CLOTH: 6 Quilters, 6 Voices

Full color catalogue available to the public, December 2006

Exhibit available for booking

Ann Johnston and Jeannette DeNicolis Meyer have curated and produced SPEAKING IN CLOTH: 6 Quilters, 6 Voices, inviting four other Northwest textile artists, Nancy Erickson, Cynthia Corbin, Trisha Hassler, and Quinn Zander Corum to join the conversation. All six artists embrace the flexibility of the quilt medium and use it in personal and surprising ways. They speak in layers using materials ranging from hand dyed fabric to sheet metal, joining them with vigorous and varied stitches. SPEAKING IN CLOTH: 6 Quilters, 6 Voices invites additional venues to expand the conversation.
